The positions of President and Treasurer were up for election for the 2013-2015 term. Residents were asked via email to submit nominations for these positions. No new candidates were submitted. Keith and Phil have volunteered to continue their leadership for another two-year term to continue the excellent progress being made by the SVVFD.

Message from the Treasurer

We've lost a friend. We would like to extend our deepest sympathy to the family on the passing of long time hillside resident Dotte Doremus. Dotte served as Secretary for many years in the early formation of the Spring Valley Volunteer Fire Department, and she actively supported annual SVVFD events over the last 30 years. Dotte touched many lives, and was a great person that was loved by many and will be missed by all. Thanks to those who have donated to SVVFD in Dotte's memory.

In many of the emergencies in the Spring Valley Fire Department Area, the SVVFD are the first to arrive to the call for help, responding and directing the help needed.

Our fire dept is funded by your donations. Your donations are tax deductible. SVVFD is a non-profit 501(C)(3) organization. When your donation is received a donation receipt is sent out to the donor for tax records.

Message from the Secretary Hillside Resident Directory

The Spring Valley Fire Department maintains names/address/phone (home & cell) of residents of the service area (Felter / Sierra / Calaveras / Kahler/Swiegert) to promote public safety and to be prepared to respond quickly to emergencies. I also use email addresses to facilitate communication, but email addresses are not published in the Directory. Print-out directory lists were provided to residents in 1994 and 2004, and a color booklet was distributed in 2008. **I plan to publish a 2013 directory in the next few months.**

This Directory is for non-business private use of residents in the SVVFD response area.

Rick Smith, SVVFD Secretary
