

SVVFD Annual 4th of July BBQ

Message from the President

Please join us for the SVVFD community BBQ on Monday July 4th . This event was started as a way of thanking the SVVFD volunteers who are on alert to protect our hills and residents during this period of peak fire danger. It was later expanded to include residents to get together with neighbors and mix with firefighters to promote communication and safety. We will continue to honor this tradition. We also hope that each resident will donate generously to the department not only to cover the cost of the barbeque but to keep our department funded so that we can continue to provide community service and excellence in this era of reduced state funding and increased regulation. [Show this flyer for entry into Ed Levin park on July 4th](#) so you do not have to pay park entry fee.

Greetings everyone. The recent rains have promoted tall weeds and fuel on our hills which will dry out as weather heats up **It's WILD FIRE season. Prepare the DEFENSIBLE SPACE around your home and structures.** Don't hesitate to call upon the Department for any guidance in getting ready. Thanks again, for all of your support both verbally and monetarily, and in just a few more short words... *Please Continue To DONATE! Donations are tax-deductible. Bring check to the July 4 BBQ, or mail to:*

SVVFD P.O. Box 360211 Milpitas, CA 95036

SVVFD Board of Directors	
President/ <small>Secretary</small>	Rick Smith
